Mr. Pierce Myers, Deputy General Counsel  
Committee on Post Office and Civil Service  
House of Representatives  
Washington, D. C. 20515-6243

Dear Mr. ~~Myers~~: *Pierce*

We are still interested in having Mr. Ford out to our Headquarters Building for a visit with our senior officers. The last time we spoke, you had indicated that Mr. Ford's schedule was full until sometime after April.

If you believe a visit is still of interest to Mr. Ford, I would be more than pleased to make the arrangements. Generally, what we have done with other Committee Chairmen is to arrange a breakfast with the Director of Central Intelligence and others during which all have an opportunity to talk about issues of relevance and importance to them. Although overall we have found these meetings useful from the standpoint of getting acquainted, I can have placed on the agenda any area of interest to Mr. Ford and have the appropriate officer at the meeting to discuss the issue in detail.

Let me know if you believe there is interest in a visit. We can work out any arrangements which would be convenient to Mr. Ford and yourself. My phone number is
